

WRITING A JOURNAL ENTRY

Saturday, 16th May

Today, I went to my friend Kim's house.

First, we ate a snack in the dining room. Kim's mum gave us watermelon, and it was yummy!

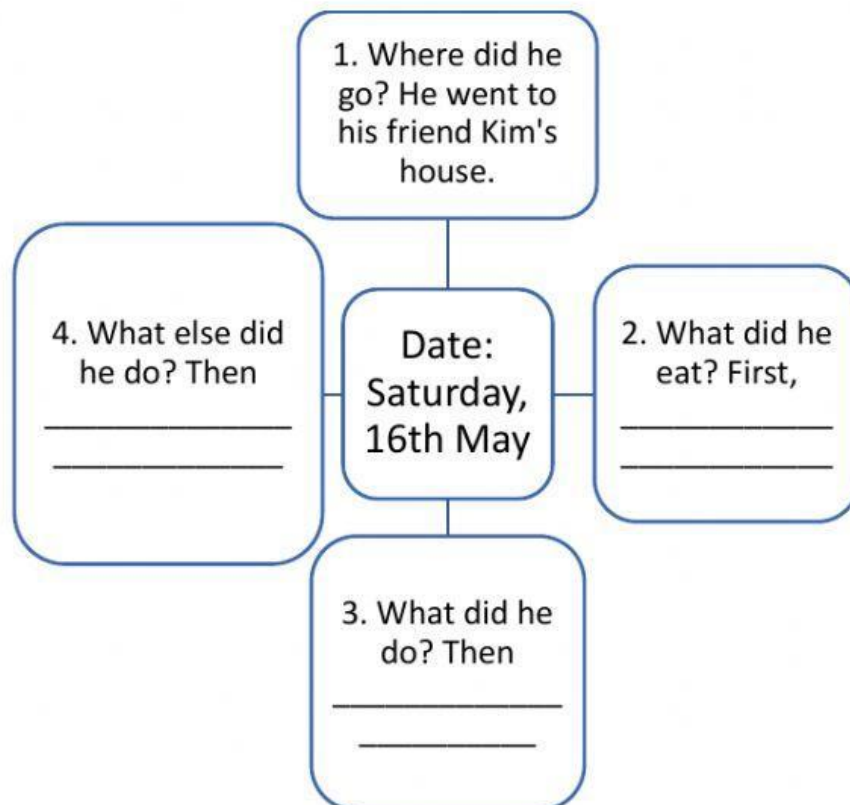

Then, we went to Kim's bedroom and played a boardgame.

Then, Kim's mum played some music in the living room and I learned new dance moves.

I had a fun time.

What did Paul do? Complete the diagram.
