My Five Senses Review

1. Click on the name of each sense to hear it. Draw a line from each sense to the body part used for that sense.

taste

touch

hear

smell

see

2. Click on each picture and read along as you listen to the sentence describing the picture. Choose the best green word to complete the sentence.

	I can hear / taste the sweet candy.
	I can touch / smell the rough rock.
	I can taste / see the big mountain.
	I can smell / hear the dirty socks.
	I can hear / touch the loud jet airplane.

3. Opposites are two words that have completely different meanings (such as high and low). Many opposites are used to describe senses. Click on each word to hear it and then draw a line to match each word to its opposite.

sweet	light	dirty	loud	rough	shiny	soft	long

clean	hard	heavy	dull	sour	quiet	short	smooth
