

MY SCHOOL TIMETABLE

Monday

I start school at 8:00 a. m. and finish at 1:30 p. m. I've got twice English, Maths, Geography, History and Physics. There are extra PE classes: football and basketball but I haven't decided yet. They start at 2 p.m. and finish at 3:30 p.m.

Tuesday

Tuesday is really long. Lessons start at 8:55 a.m. and go on till 3:20 p.m. I've got Art, English, Maths, Spanish, double PE and Chemistry.

Wednesday

Lessons start at 8:00 again, just like Monday. I finish school at 12:35 p.m. - the earliest in the week. I have Music, Biology, Maths, English and Physics. In the evening I have my Film Club. I'm back at home at about 6:00 p.m. Usually I'm dead tired!

Thursday

Thursday is OK because I start school at 8:45 a.m. and finish at 1:30 p.m. I've got double Computer Science, RE, English and History and no extra activities! I do most of my homework and housework on Thursday. From time to time me, my mum and my dad make a short visit to my grandpa.

Friday

At the end of my week at school, on Friday, I start school at 8:00 a.m. and finish at 1:30 p.m. I have English, Maths, twice P.E., Geography and Spanish. The computer club people meet up at 2 p.m. for around and an hour and I'm back at home at 2:30 p.m. My best friend Tim, often comes for an hour or two and we play together.
