Breakfast food

Tinned food

Frozen food

Reading

- 2 Maksim is in the UK on a school trip. It is his birthday today and the mother of his host family is taking him shopping for a birthday party. What do they need?

Listen and read to find out. What is the problem?

Mrs Hall: Right, that's 12 _____ of crisps and 12 _____ of chocolate. What else do we need?

Maksim: Well, there's the drinks aisle. Let's get a few _____ of fruit juice and some _____ of coca cola.

Mrs Hall: OK! Now, let's go get _____ cakes.

Maksim: How about some chocolate ones?

Mrs Hall: Good idea!

Maksim: Do you have any ice cream at home, Mrs Hall?

Mrs Hall: Only a little. We can get a few _____ if you like.

Maksim: Yes, I'd like to have some ice cream at the party.

Mrs Hall: No problem at all! Let's go and pay now... oh gosh!

Maksim: What's wrong, Mrs Hall?

Mrs Hall: I'm afraid I left my purse at home. How much money do you have Maksim?

Maksim: Em, not much... only £5.

Mrs Hall: Oh no! What are we going to do now?
