

Name -			
Phase 1- Foundation Numeracy Class Worksheet -19			
Stage-	Progressing	Grade-	2
Conceptual Area -	Geometry	Topic-	Spacial understanding of 2 D shapes

A. Write the name of the shape below each object.

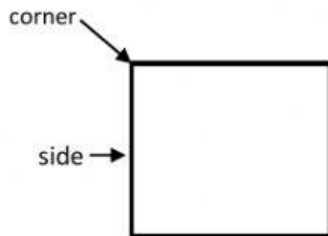

B. Count the number of

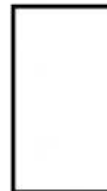

Squares	_____	
Rectangles	_____	
Triangles	_____	
Circles	_____	

Squares	_____	
Rectangles	_____	
Triangles	_____	
Circles	_____	

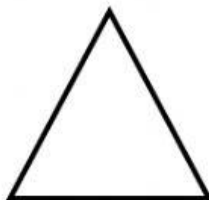

C. Count the sides and corners in each shape and write next to it.

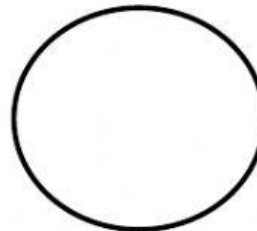

SQUARE
i. ____ straight sides
ii. ____ curved sides
iii. ____ corners

RECTANGLE
i. ____ straight sides
ii. ____ curved sides
iii. ____ corners

TRIANGLE
i. ____ straight sides
ii. ____ curved sides
iii. ____ corners

CIRCLE
i. ____ straight sides
ii. ____ curved sides
iii. ____ corners

D. Draw and name the shape that has:

a. Only straight sides

b. 1 curved side

c. 4 sides and 4 corners

d. No corners

e. 3 sides and 3 corners

f. 4 sides, 4 corners, all sides of same size

g. 4 sides, 4 corners, 2 sides longer than other 2 sides
