

Mary and her friends are going to have a picnic next Saturday. They all wanted to have a picnic near a beautiful lake. So, they chose a city **park**.

"How will we get there?" asked one of Mary's friends. "The park is in the city centre. How about going by bus?" Mary said. All of Mary's friends agreed with her. "Should we 1. the earliest bus?" asked another friend. "It takes around half an hour from Tom's house to the 2. . I think we should catch the 7:30 AM bus. It's 3. for him," Mary suggested. "That's OK!" all of her friends agreed.

Mary said she would prepare some board games that they could all play during the picnic. Jane, one of her friends, said, "Mary always has great 4. !" After that, they talked about what things they should bring. A male friend will bring a picnic blanket, another one will bring a guitar, Jane will bring some fruit and Mary will bring 5 for lunch.
