*“Fast Car,” lyrics*

You got a fast car  
I want a ticket to anywhere  
Maybe we make a deal  
Maybe together we can get somewhere  
Any place is better  
Starting from zero got nothing to lose  
Maybe we'll make something  
Me myself I got nothing to prove

You got a fast car  
I got a plan to get us out of here  
I been working at the convenience store  
Managed to save just a little bit of money  
Won't have to drive too far  
Just cross the border and into the city  
You and I can both get jobs  
And finally see what it means to be living

See my old man's got a problem  
He live with the bottle that's the way it is  
He says his body's too old for working  
His body's too young / strong to look like his  
My mama went off and left him  
She wanted more / much from life than he could give  
I said somebody's got to take care of him  
So I built / quit school and that's what I did

You got a fast car  
Is it fast enough so we can fly away?  
We gotta make a decision  
Leave tonight or live and die this way

So remember when we were driving driving in your car  
Speed so fast I felt like I was drunk  
City lights lay out before us  
And your arm felt nice wrapped 'round my shoulder  
And I had a feeling that I belonged

I had a feeling I could be someone, be someone, be someone  
You got a fast car  
We go cruising, entertain ourselves  
You still ain't got a car  
And I work so hard to get that checkout girl  
I know things will get better

You'll find work and I'll get promoted  
We'll move out of the shelter  
Buy a bigger house and live in the suburbs

So remember when we were driving driving in your car  
Speed so fast I felt like I was drunk  
City lights lay out before us  
And your arm felt nice wrapped 'round my shoulder  
And I had a feeling that I belonged

I had a feeling I could be someone, be someone, be someone  
You got a fast car  
I gotta make a decision  
You stay out drinking late at the bar

See more of your friends than you do of your kids  
I'd always hoped for better  
Thought maybe together you and me would find it  
I got no plans I ain't going nowhere

So take your fast car and keep on driving

So remember when we were driving driving in your car  
Speed so fast I felt like I was drunk  
City lights lay out before us  
And your arm felt nice wrapped 'round my shoulder  
And I had a feeling that I belonged

I had a feeling I could be someone, be someone, be someone  
You got a fast car  
I gotta make a decision  
You stay out drinking late at the bar

See more of your friends than you do of your kids  
I'd always hoped for better  
Thought maybe together you and me would find it  
I got no plans I ain't going nowhere

So take your fast car and keep on driving

So remember when we were driving driving in your car
