Vets

Animals are very important to people. We keep dogs and cats as pets. Some farmers have sheep and cows to produce meat and milk. We ride horses. We watch lions and tigers at the circus.

For people who love animals, working as a veterinarian is an ideal job. Veterinarians, or vets, treat many kinds of animals such as dogs, cats, guinea pigs, cows, pigs and horses. Some vets even treat zoo animals such as tigers and giraffes.

Vets have to be careful when they treat sick animals. Vets also learn how to treat animals so that neither the vet nor the animal gets hurt.
