

2

Match and write the numbers in the boxes.

$3 \text{ twos} = \square$

$8 + 8 + 8 + 8 = \square$

$3 \text{ sixes} = \square$

$2 + 2 + 2 = \square$

$2 \text{ threes} = \square$

$6 + 6 + 6 = \square$

$4 \text{ eights} = \square$

$3 + 3 = \square$

$2 \text{ nines} = \square$

$7 + 7 + 7 + 7 + 7 = \square$

$5 \text{ sevens} = \square$

$9 + 9 = \square$

1 Match each cake with the correct answers.

5 groups
of 6

• Multiply
3 and 8

• 4 nines

3 groups
of 8

• Multiply
5 and 6

5 sixes

• $9 + 9 + 9 + 9$

Multiply
4 and 9

• 3 eights
