My favorite team game is called **"Hide and seek"**

This is how you play it:

If you are the seeker	If you are the hider
1. your eyes. 2. to 10 or 20. 3. "Ready or not, here I come". 4. for your friends. 5. **Say** "Found you" when you see a friend. 6. looking for your friends.	7. somewhere to hide 8. Stay quiet. 9. for your friend to find you. 10. fun playing with your friends.

I like this game because I ..... and it's really fun.
