Jack used to be my best friend – at least I thought he was. He has always been fond of (A1) ... gambling, so he borrowed (A2) ... considerable sum of money from me. In return (A3) ... his debt, he promised to help me with the painting of the house, but didn't keep (A4) ... his promise. I was rather angry (A5) ... this, but I decided to forget it all. Then he borrowed my Timex watch and somehow managed to break it. Fortunately, it was still under guarantee, so the shop repaired it free of (A6) ... charge. However, the worst thing he did was stealing my girlfriend away from me. I was really upset (A7) ... him for doing such (A8) ... thing. With friends like that, who needs enemies?
