

## NÚMEROS DEL 0 AL 50

1. Une la cantidad con su escritura en letras.

15                      veintisiete

27                      quince

36                      cuarenta y cinco

45                      treinta y seis

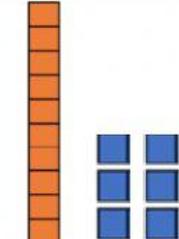

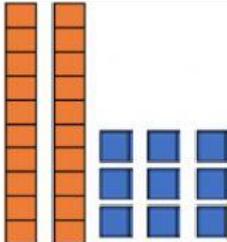

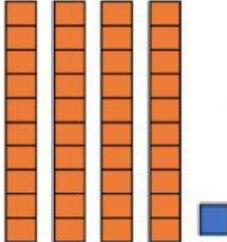

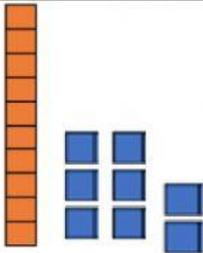

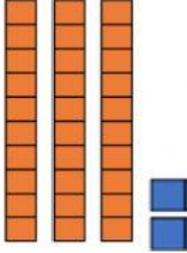

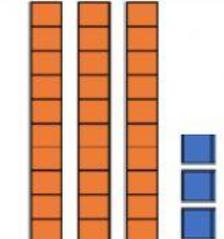

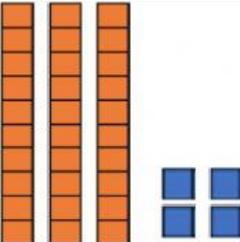

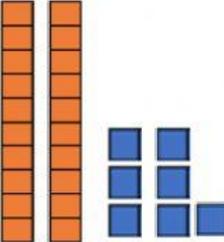

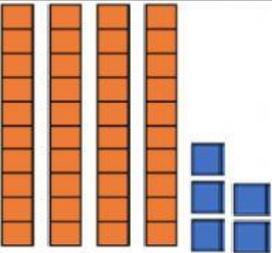

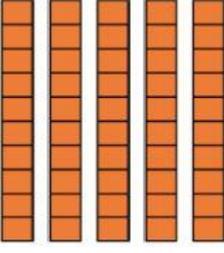

28                      doce

12                      veintiocho

37                      cuarenta y uno

41                      treinta y siete

2. Escribe la cantidad que corresponda al gráfico.

	<table border="1" data-bbox="699 403 826 548"> <tr> <td style="background-color: red;">D</td> <td style="background-color: blue;">U</td> </tr> <tr> <td> </td> <td> </td> </tr> </table>	D	U		
D	U				
	<table border="1" data-bbox="699 638 826 784"> <tr> <td style="background-color: red;">D</td> <td style="background-color: blue;">U</td> </tr> <tr> <td> </td> <td> </td> </tr> </table>	D	U		
D	U				
	<table border="1" data-bbox="699 891 826 1037"> <tr> <td style="background-color: red;">D</td> <td style="background-color: blue;">U</td> </tr> <tr> <td> </td> <td> </td> </tr> </table>	D	U		
D	U				
	<table border="1" data-bbox="699 1187 826 1332"> <tr> <td style="background-color: red;">D</td> <td style="background-color: blue;">U</td> </tr> <tr> <td> </td> <td> </td> </tr> </table>	D	U		
D	U				
	<table border="1" data-bbox="699 1467 826 1612"> <tr> <td style="background-color: red;">D</td> <td style="background-color: blue;">U</td> </tr> <tr> <td> </td> <td> </td> </tr> </table>	D	U		
D	U				
	<table border="1" data-bbox="1161 403 1289 548"> <tr> <td style="background-color: red;">D</td> <td style="background-color: blue;">U</td> </tr> <tr> <td> </td> <td> </td> </tr> </table>	D	U		
D	U				
	<table border="1" data-bbox="1161 638 1289 784"> <tr> <td style="background-color: red;">D</td> <td style="background-color: blue;">U</td> </tr> <tr> <td> </td> <td> </td> </tr> </table>	D	U		
D	U				
	<table border="1" data-bbox="1161 891 1289 1037"> <tr> <td style="background-color: red;">D</td> <td style="background-color: blue;">U</td> </tr> <tr> <td> </td> <td> </td> </tr> </table>	D	U		
D	U				
	<table border="1" data-bbox="1161 1187 1289 1332"> <tr> <td style="background-color: red;">D</td> <td style="background-color: blue;">U</td> </tr> <tr> <td> </td> <td> </td> </tr> </table>	D	U		
D	U				
	<table border="1" data-bbox="1161 1467 1289 1612"> <tr> <td style="background-color: red;">D</td> <td style="background-color: blue;">U</td> </tr> <tr> <td> </td> <td> </td> </tr> </table>	D	U		
D	U				

3. Completa el cuadro con las cantidades que faltan de menor a mayor.

10		12			15				19
	21		23			26		28	
30			33		35				39
	41			44			47		

4. Completa el cuadro con las cantidades que faltan de menor a mayor.

49		47			44				40
	38		36			33		31	
29			26		24				20
	18			15			12		

5. Arrastra la escritura que corresponda a las siguientes cantidades.

23		39	
42		31	
24		19	

diecinueve	cuarenta y dos
veintitrés	treinta y nueve
treinta y uno	veinticuatro
