I. Some sentences have been removed from the texts below. For each question, choose the correct answer

Nowadays, people have to face a lot of serious diseases, and pollution is one of the causes. (0) A We build too many factories and release too much exhaust fumes into the atmosphere, and it makes the air become worse and worse. We inhale all of the harmful chemicals directly, and I do not know why people are not taking it seriously. (1) _____ 10 people may need 10 different motorbikes, (2) _____ We also depend too much on air conditioners which also create negative effects to the air, and it is better if we can use fans instead on the not too hot days. (3) _____

- A. ~~The most serious problem is the air quality.~~
- B. A very easy thing that most of us can do to improve the quality of air is switching to public transportations.
- C. The air is very important to us, and we need to keep it clean in order to have a healthy life.
- D. but we can reduce the exhaust fumes from those motorbikes by using the bus or subway.

Environment plays an important part in our life. (1) ____ There are some main ways to do that. Firstly, a good strategy is to save energy and natural resources which are limited. (2) ____ The government should also set a limit for exploitation of resources. Secondly, we need to conserve the old forest, rainforest, build more safari and national parks, and plant more trees to make a place to live for wild animals. Prohibiting hunters who hunt animals out of the law allowance is also important. (3) ____ People should be encouraged strongly to do good things like: using fewer plastic things, not throwing trash everywhere... I hope that in the future, the earth will be cleaner.

- A. We can use less energy by switching off all electronic devices when they are not in use, not wasting water, using a bike or a bus instead of driving a car.
- B. Therefore, we need to protect the environment as well as the ecosystem as much as possible.
- C. Last but not least, there is a must to raise people's awareness.

II. Mark the letter A, B, C or D to indicate the word CLOSET in meaning to the underlined word in each of the following questions
