Paul's house

Hello! My name is Paul and this is my house. It has got two floors: a ground floor and a first floor. There's also an attic and a basement. On the ground floor there's a hall, a living room, a dining room, a kitchen and a toilet.

On the first floor there are three bedrooms and two bathrooms. My bedroom is next to my sister's bedroom. My parents' bedroom has got a door going out to a big balcony.

I like my bedroom, but I love the attic. It is large and there's a long sofa, where I can sit and watch TV.

At the back of the house, there's a garage and a lovely garden. I like my house because it's very big and comfortable.

Answer the questions about the text.
