

Joaquin Phoenix' Speech -Watch the video and write the missing words down:

God, I'm full of so much ¹ _____ right now. And I do not feel elevated above any of my fellow nominees or anyone in this room because we ² _____ the same love, the love of film. And this form of expression has given me the most ³ _____ life. I don't know what I'd be without it.

... But I think the greatest gift that it's given me, and many of us in this room, is the opportunity to use our voice for the ⁴ _____. I've been thinking a lot about some of the distressing issues that we are facing collectively. I think at times we feel, or were made to feel, that we champion different causes, but for me, I see commonality. I think, whether we're talking about ⁵ _____ inequality or ⁶ _____ or queer rights or indigenous rights or animal rights, we're talking about the fight against ⁷ _____. We're talking about the fight against the belief that one nation, one people, one race, one gender or one species has the right to ⁸ _____, control and use and ⁹ _____ another with impunity.

And I think we ¹⁰ _____ the idea of personal ¹¹ _____ because we think that we have to ¹² _____ something, to give something up, but human beings, at our best, are so inventive and creative and ingenious. And I think that when we use ¹³ _____ and ¹⁴ _____ as our guiding principles, we can create, develop, and implement systems of change that are beneficial to all sentient beings and to the environment.

Now, I have been a scoundrel in my life. I've been ¹⁵ _____. I've been cruel at times, hard to work with and ¹⁶ _____, but so many of you in this room have given me a second chance. And I think that's when we're at our best, when we support each other, not when we cancel each other out for past mistakes, but when we help each other to grow, when we ¹⁷ _____ each other, when we guide each other toward ¹⁸ _____. That is the best of humanity.

When he was 17, my brother wrote this lyric. It said, 'Run to the rescue with love, and ¹⁹ _____ will follow.'
