

DANCING ON MY OWN

Somebody said _____ got a new friend
But does she love you better than _____ can?
And there's a big black sky over _____ town
I know where you're at, I bet she's around
And yeah I know it's stupid, but I just gotta see it for _____

[Chorus]

I'm in the corner, watching you kiss _____, oh oh oh
And I'm right over here, why can't you see _____? Oh oh oh
And I'm giving it _____ all
But I'm not the guy you're taking home, oooh
I keep dancing on _____ own

[Verse 2]

I just wanna dance all night
And I'm all messed up, I'm so out of line, yeah
Stilettoes and broken bottles
I'm spinning around in circles

[Chorus]

[Bridge]

So far away, but still so near
The lights come on, the music dies
But you don't see _____ standing here
_____ just came to say goodbye

[Chorus]

[Outro]

So far away, but still so near
The lights come on, the music dies
But you don't see me standing here
