Describe an event where someone cheated

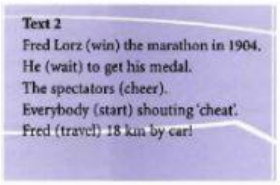

2 With a little help from my friends

ATHLETICS Fred Lorz, from New York, won the marathon at the St Louis Olympic Games in 1904. He finished the race in three hours 13 minutes.

After the race Fred was waiting to get his medal and the spectators were cheering him loudly. Alice Roosevelt, the daughter of the US President, was in the crowd, and some journalists took a photo of Fred with her. But then suddenly somebody started shouting 'cheat' and soon everybody was shouting the same thing. It was true. Fred had travelled 18 of the 42 kilometres in a friend's car! Fred didn't win the gold medal and he was banned from athletics.
