Heroes and emergencies

Listening Comprehension: Identifies

I. Listen to the information very carefully and match the picture to the data. Write the number of the conversation under each picture:

			

II. Now, listen to the information again and complete the missing data. Use one word from the box:

started – didn't – been – went – broken – happened – hit – ran – turned – isn't – was

1. Policeman: What _____, ma'am?
   Lady: I'm not sure. I was driving and it _____ to rain. I tried to stop at the corner, but the brakes _____ work. After that, I don't remember anything.
   Policeman: Can you move your arm, ma'am?
   Lady: Yes.
   Policeman: Good. It's not _____.

2. Woman: Have you ever _____ in an accident?
   Man: Only once. About five years ago, I was crossing the street and a car _____ me.
   Woman: Were you hurt?
   Man: Not really. I was lucky!

3. Man: Can you tell us about the earthquake?
   Woman: Well, I _____ about 13. I was asleep. I woke up because my bed was moving. I _____ into my parents' room. Then we all _____ into the bathroom.
   Man: How long was it?
   Woman: Only about two minutes, but it seemed much longer!

4. Telephonist: Police department.
   Woman: Come quickly. There is someone in my neighbor's house they've just _____on the light and my neighbor _____ home. He's on vacation.

You are doing a great job!
