English Year 4

Week 14 (5th April 2022)

Lesson Objectives:

- Answer simple comprehension

Step to Success:

- Read text
- Identify keywords in questions
- **Use part of the question** to begin the answer
- Answer questions in **complete sentences**

Instruction: Read the intervies transcript carefully. Answer the following questions.

Interviewer : What is your name?

Irfan : My name is Irfan.

Interviewer : Can you tell me what you do for a job?

Irfan : I am a builder.

Interviewer : What does a builder do?

Irfan : I build new houses for people. Some builders make shops, malls, or bridges!

Interviewer : What do you use?

Irfan : I use wood, bricks, and cement. First, I put up the wood. Next, I build the walls with bricks. After that, I put cement on the bricks. Finally, I get the painters to paint the walls.

Interviewer : How long does it take to build a house?

Irfan : A big house can take a few months. A small house takes less time to build compre to the bigger ones.

Interviewer : What do you enjoy about your job?

Irfan : I enjoy working with the other builders. We work as a team.

Interviewer : What do you enjoy the least about your job?

Irfan : When it is raining, I still have to go to work. I cannot use cement when it is wet. I get very wet too!

Interviewer : It sounds like you have a good job. Thank you for telling me about it.
