

Task 1. Add to find more than. Subtract to find less than

What is 1 more than 7 ?

$$7 \square 1 = \underline{\quad}$$

1 more than 7 is  $\underline{\quad}$

What is 1 less than 7 ?

$$7 \square 1 = \underline{\quad}$$

1 less than 7 is  $\underline{\quad}$

What is 2 more than 8 ?

$$8 \square 2 = \underline{\quad}$$

2 more than 8 is  $\underline{\quad}$

What is 2 less than 8 ?

$$8 \square 2 = \underline{\quad}$$

2 less than 8 is  $\underline{\quad}$

What is 3 more than 5 ?

$$5 \square 3 = \underline{\quad}$$

3 more than 5 is  $\underline{\quad}$

What is 3 less than 5 ?

$$5 \square 3 = \underline{\quad}$$

3 less than 5 is  $\underline{\quad}$

What is 4 more than 6 ?

$$6 \square 4 = \underline{\quad}$$

4 more than 6 is  $\underline{\quad}$

What is 4 less than 6 ?

$$6 \square 4 = \underline{\quad}$$

4 less than 6 is  $\underline{\quad}$
