Abi and Manos tell us about their favourite season.

The season I like best is spring

In spring it rains a lot and people wear rain coats and boots but I like the rain.

The days are longer and we can play outside. Of course the farmers have a lot of work and they plant things in the gardens.

I love to see all the flowers everywhere and green leaves on the trees. We also know that summer is coming and schools will close for the summer holiday.

This makes me happy

Abi

Hi,

The season I like best is winter. In my country the summer is very hot and you cannot play outside in the day.

The schools are closed so I don't have any friends to play with in the summer. In winter the weather is not cold here but it is not so hot. We can stay outside for hours

and play different games. My cousin lives in Austria. He says the winter there is very cold with a lot of snow. I have never seen snow in my country.
