

A sporting event

1. One of the great sporting of my life was in 2010.
2. It was a football match US and Ghána in South Africa.
3. I for the American team.
4. The day at noon when I took the bus to the stadium.
5. At the stadium, we ate some and beer.
6. A lot of fans came, dressed in all of equipment.
7. When the national was played, it felt like the whole stadium knew the words.
8. Never have I seen a sporting event bring together a nation.
9. the game I took lots of pictures, but my camera has been stolen.
10., US lost, but it was my most memorable experience of my life.
