At the moment, she's reading an <sup>3</sup> **exciting** / **more exciting** story with some interesting characters. A magician is the <sup>4</sup> **funnier** / **funniest** character. He isn't <sup>5</sup> **more famous** / **famous** and he's probably the <sup>6</sup> **worse** / **worst** magician in the world, but Maya likes him because he's <sup>7</sup> **mean** / **kind** and hard-working. The other main character is a princess. She is more beautiful <sup>8</sup> **than** / **of** all the other characters, but she's <sup>9</sup> **least** / **less** hard-working than the magician.
