

Selfish Pretty Girl by Kevin Kaarl

You're _____ all the night
Your eyes are made of _____
And when nobody's _____
You break, you break, you break
You break, you break, you break

La, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la

You're missing more and more
But you fucked up the plan
You selfish pretty girl
And now you can't go back, now you can't go back

You're _____ like you didn't come back
Here, on our _____ to San Lucas
You are afraid of being _____
You can't _____ with everyone

La, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la

You are missing more and more
But you fucked up the plan
You selfish pretty girl
Now you can't go back
You selfish pretty girl
You break, you break, you break
You break, you break, you break
You break, you break, you break
