

## Strawberries & Cigarettes

Troye Sivan

### [Verse 1]

Remember when we first \_\_\_\_\_? (meet)  
 You \_\_\_\_\_, "Light my cigarette" (say)  
 So I \_\_\_\_\_ to my mum and dad (lie)  
 I jumped the fence and I \_\_\_\_\_ (run)  
 But we couldn't go very far  
 'Cause you locked your keys in your car  
 So you \_\_\_\_\_ and stared at my lips (sit)  
 And I could already feel your kiss

### [Chorus]

Long nights, daydreams  
 Sugar and smoke rings, I've been a fool  
 But strawberries and cigarettes always taste like you  
 Headlights on me  
 Racing to 60, I've been a fool  
 Strawberries and cigarettes always taste like  
 Blue eyes, black jeans  
 Lighters and candy, I've been a fool  
 But strawberries and cigarettes always taste like you

### [Verse 2]

Remember when you \_\_\_\_\_ me fate?  
 (teach)  
 Said it'd all be worth the wait  
 Like that night in the back of the cab  
 When your fingers \_\_\_\_\_ in my hand (walk)  
 Next day, nothin' on my phone  
 But I can still smell you on my clothes  
 Always hoping that things would change  
 But we went right back to your games

### [Repeat Chorus]

### [Bridge]

And even if I run away  
 Give my heart a holiday  
 Still, strawberries and cigarettes always taste like you  
 You always leave me wanting more  
 I can't shake my hunger for  
 Strawberries and cigarettes always taste like you  
 Yeah, they always taste like you, you  
 Long nights, daydreams  
 With that sugar and smoke rings  
 Always taste like you

### [Repeat Chorus]
