

# Legends - Now United

<https://www.youtube.com/watch?v=oI7q3jrmu0>

Do the activities, then listen and check.

Choose the correct alternative. Pay attention to the context.

I \_\_\_\_\_ that love was all but a legend

Didn't know better 'til I \_\_\_\_\_ on you

Although I had plenty of \_\_\_\_\_

Never got jealous 'til I fell on you (I fell on you)

Ooh you

Got me thinking of slowing down

I'm so \_\_\_\_\_ of fooling around

All I wanna do is you, ooh

Ooh yeah

It's a \_\_\_\_\_ situation

Every day, celebration

Goin' all the way up

Darling

You and I

Know we got a \_\_\_\_\_

We've got style

A \_\_\_\_\_ of legends

You and I

Overnight \_\_\_\_\_

Side by side

A couple of legends

Put the lines in order

- \_\_\_ We know what to do (yeah, yeah)
- \_\_\_ I thought that love was all but a legend
- \_\_\_ We break all the records
- \_\_\_ When I'm with you everything's better
- \_\_\_ Kinda like heaven, now I know the truth

Can you identify the cities in the video?

Can you identify countries and nationalities?

Choose your favourite Now United member, create an avatar and write a description. Can your classmates guess? You can use [avatarmaker.com](http://avatarmaker.com)
