This is my city

Hello, my name is Luis and I am from Trujillo. I invite you visit my city because it is really beautiful. There are nice beaches and big restaurants in the center of the city. You will be in love with them.

There are some traditional shops that sell antiques and your grandparents will love too because they are not expensive.

If you like water sports, there are lots of activities to do such as surfing, go kayaking, jumping into the sea and swimming.

The anniversary of Trujillo is in March, if you visit us during this time of the year you will enjoy the cool celebrations. There are delicious dishes and if you want to dance "La marinera" you will find some instructors in the Main square that will teach you some basic steps for free.

It's amazing. For me Trujillo is the best.
