The space

For the first time ever, my Barbie™ Malibu Dreamhouse is on Airbnb! Available for a one-time, two-night stay, but I promise the memories will last a lifetime. Remember, this is a once in a lifetime chance, which means the Dreamhouse will only be booked once. My Dreamhouse is the perfect place to be inspired and learn new things. I hope it will feel like your Dreamhouse, too.

Located in the heart of Malibu, my Dreamhouse has three floors with ocean views and open spaces for friends and family to hang. My pool is the perfect place to cool off from the California sun, but I never travel without my waterslide, so I'll be taking that with me. And whether you're enjoying an outdoor meal, watching a movie in my personal cinema, or making s'mores under the stars, the best part is just being together.
