2 PERSPECTIVES *Transportation services*

A 

Listen to these comments about transportation services. Match them to the correct pictures.

1. "The buses are old and slow, and they cause too much pollution. In cities with less pollution, people are healthier."
2. "There are too many cars. All the cars, taxis, and buses are a danger to bicyclists. There is too much traffic!"
3. "There should be fewer cars, but I think that the biggest problem is parking. There just isn't enough parking."
