English Year 4

Week 15 (13th April 2022)

Today Hafiz is interviewing Arif.

Hafiz: Good morning Arif, what job do you do?

Arif: I'm a veterinarian.

Hafiz: What's a veterinarian?

Arif: A veterinarian is a kind of doctor who treats sick and injured animals.

Hafiz: What types of animals do you treat, Arif?

Arif: I usually treat small pet animals like cats, dogs, fish and reptiles but sometimes I take care of large animals like horses and cows.

Hafiz: How do you treat the animals?

Arif: I give them medicine. Sometimes I need to perform surgery on them.

Hafiz: Where do you work?

Arif: I work at the Happy Veterinarian Clinic.

Hafiz: Thank you for telling us about your job, Arif.

Arif: You're welcome, Hafiz.
