Eng 102 - Unit 11. Focus on Writing : **Report** Name:.....Class:

Ms. Reem Moh'd

" New Mall Project Planning "

Q 1) Match to the suitable idea for/ against the project (Write 1-5).

(Write the number 1-4).

Findings.

1- 95% of the people surveyed think that the location of the new mall is good.

2- 70% of the people think that the new mall will cause more traffic in the area.

3- 80% of the people think that the space for the parking lot will not be enough.

4- 93% of the people surveyed think that the new mall will help make their life easier.

A) Many local residents are against the project because they think their area will be crowded and the roads will be congested.

B) Many residents are in favor of building the new mall in their area.

C) The residents think getting their every-day grocery from a nearby mall is a good idea and will save them a lot of time and trouble.

D) Many residents think the area where the mall will be built is too small and will not be enough to have many cars parked.

Q 2. Complete the conclusion with the following words :

majority – minority – support - oppose

To sum up, the..... of the people in the area ..... the project of the new mall as it will help make their life easier. However, there's ..... of people who ..... the idea of building the mall in a crowded and busy area. We believe that the government should consider the suggestions given by people.
