Read the following passage and choose the correct answer.

It was five o'clock in the evening when Rene Wagner came home from work. She walked into the living room and looked at her three children. They are 14,13 and 9 years old. They were watching TV. The living room was a mess. There were dirty socks on the floor and cookies on the sofa. Games and toys were everywhere. Rene was angry, "This place is a mess," she tells her children, "I can't work all day and then do housework all evening. I'm not going to do housework!" Rene didn't do housework. She didn't clean or wash dishes. She didn't wash clothes, either. Every evening she sat on the sofa and watched TV.

After two weeks, every plate, fork, and glass in the house was dirty. All children's clothes were dirty. Every garbage basket was full. The house was a mess. Then, one day Rene came home from work and got a big surprise. The kitchen was clean. The children cleaned the kitchen! The next day, the living room was clean, and the children were washing their clothes. Rene told the
