Brian's Winter Chapters 3-4

Chapter 3

1. Why was Brian's sleeping bag not a true winter bag?

2. How did Brian winterize his shelter?

3. In chapter 3, Brian says, "Trouble, problems, will come no matter what you do, and you must respond as they come." Tell me about some trouble, or a problem you had to respond to and how you responded to the situation.

4. Where did Brian get the idea to make arrowheads out of stone?

5. Why did Brian consider one of his arrows, his "lucky arrow"?

6. Please write an interior monologue as if you were Brian. An interior monologue is a speech in which the character talks about his or her life, feelings, and experiences. You should write about a situation Brian got into as if you were Brian. You can pick any one you want from Hatchet, or Brian's Winter.

Chapter 4

1. After five straight days of rain, how did Brian find dry wood for his fire?

LIVEWORKSHEETS

2. What did Brian do so he could have a fire inside his shelter, but not get smoked out?

3. How did Brian make the side of his shelter airtight, and where did he get the idea?

4. What type of stone was Brian looking for to make his stone arrowhead?
