Once upon a time, there were three little pigs. When they were old enough, they were out into the world to seek their fortunes.

The first little pig was very lazy. He didn't want to work at all, and he built his house out of straw. The second little pig worked a little bit harder, but he was somewhat lazy too and he built his house out of sticks. Then, they sang, danced, and played together for the rest of the day.

The third little pig worked hard all day and built his house with bricks. It was a sturdy house complete with a fine fireplace and chimney. It looked like it could withstand the strongest winds.
