

# Informative Text Paragraph

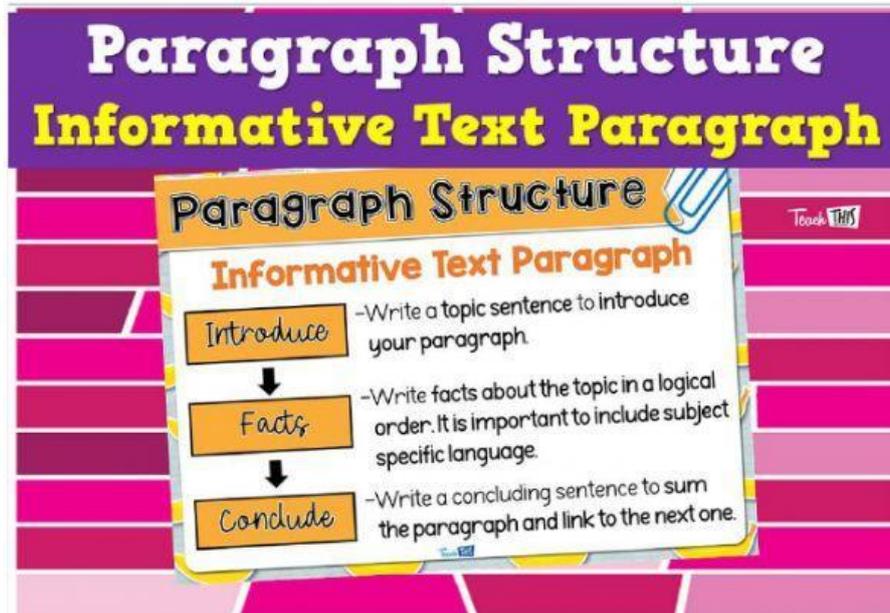

Informational text is nonfiction writing, written with the intention of informing the reader about a specific topic. It is typically found in magazines, science or history books, autobiographies and instruction manuals.

A. Make simple research from a subject (country) for your informative text.

Subject (country):	
Topics and Questions	Answer
<b>1. Geography</b> <ul style="list-style-type: none"><li>• Where is it?</li><li>• Which other countries are nearby?</li></ul>	
<b>2. Cities</b> <ul style="list-style-type: none"><li>• What is the capital city?</li><li>• What do people go and see in the cities?</li></ul>	
<b>3. Countryside</b> <p>What does it look like? What do people do in the countryside?</p>	

B. Write an informative text paragraph from your research. Write your paragraph in 5 sentences (at least). Check the diagram for the structure.
