#### My hero

My hero is my mother, Mavis Dillon. She has blessed me with a great life, and I am forever thankful for all she does for me. She is the most beautiful, loving, and thoughtful person I know, and that is why she is my hero.

My mother lived in a small town called East Bend. She was a cheerleader and graduated from Forbush High School. My mother had a job throughout college and worked hard to make good grades and have money to spend. She was very hardworking and did whatever it took to make her dreams possible.

My mom has never left my side, and I know she will always be there for me whether I am happy or sad. I have never met someone who isn't as selfish as her. She has always put me first in her life and done everything she could to be the best mother and give me the best life.
