Subject: Dance

Teacher: T. MJ

Title of Activity: Drafting the 4th Quarter PT

You have to act out at least 4 scenarios that you usually do to maintain a healthy lifestyle. You should include a dance routine exercise including warm-up and cool down. In performing, you should apply proper facial expressions, body language and voice projection. Use the boxes below for drafting and type 1 scenario for each box.

Scenario 1

Scenario 2

Scenario 3

Scenario 4
