Richard:

Who knows you better, your family or your friends?

In our weekly test, single people who are looking for a partner ask their mother and their best friend to help. Their mother chooses one partner and their best friend chooses another. The test is to see who can choose the best partner! This week's single man is Richard Taylor, a 26-year-old musician from Southampton. His mother Meg chooses one girl, and his best friend Danny chooses another. Then Richard goes on a date with each girl. Which girl does he prefer? Who knows him better, his mother or his best friend? Who chooses the right girl for him?

I usually work in England but sometimes I work abroad too. When I'm not working I like going to the cinema and eating in nice restaurants. I'm not very sporty and I don't do any exercise, but at least I don't smoke. I think I'm open and friendly - I get on well with most people - but I'm sometimes quite shy too. For example, I don't like going to parties. I prefer to meet friends individually or in small groups. I like intelligent, funny women who make me laugh, and ideally who love music. Physically I prefer women with dark hair who are not taller than me. And I like women who are good listeners. I'm sure that my friend Danny knows me better than my family because we often talk about girlfriends and the problems we have. I don't usually talk to my family about that kind of thing. My mum always says that I look for the wrong kind of girl but that's what mothers always say!

Who knows you better - your mother *or* your best friend?

In our weekly experiment, single people who are looking for a partner ask their mother and their best friend to help. This week's single person is Charlotte Ramirez, a 25-year-old web designer. Her father is Spanish and her mother is English. She lives in Brighton and she doesn't have a partner at the moment. Her mother, Alice, chooses a man she thinks is perfect for her daughter and her best friend, Katie, chooses another. Then Charlotte goes on a date with each man. Which one does she prefer?

I love going to the cinema, but I often feel like staying at home with a good book,' says Charlotte. I'm quite friendly and sociable and I get on well with most people. I think I have a good sense of humour." 'What kind of men do I like? Well, I like interesting men who can make me laugh. Physically, I prefer men with a really nice smile who are taller than me. And I don't usually like men with beards! I like men who are into literature and art, and classical music.

I'm not sure who is going to choose better for me. Both my mum and my best friend know me very well. Perhaps Katie could find me a guy who is physically more compatible, but my mother has known me for longer!
