

Write an email to a friend describing a real or invented crime that you saw (120-150 words). Don't forget to open and finish your letter properly.

Use these questions to help you, also you can use the letters in your book (p.91) and workbook (p.86) as an example.

- What was the crime? (shoplifting/vandalism/mugging?)
- Who were the criminals? (how many? age? description?)
- What did they do? (steal/damage something? mug someone?)
- What happened? (called police? shouted for help? they ran away?)
- Did the police catch the criminals? (chased the criminals? arrested them? they escaped?)
