

To talk about when something happened, we use a time expression + **ago** (назад, тому, тому назад)

Write how long ago you did these things.

- *go swimming*
- *have a PE lesson*
- *look at your phone*
- *play basketball*
- *watch sport on TV*
- *win a video game*
- *play in a tournament*
- *do aerobics.*

*Example: I **went** swimming two years **ago**.*
