

-Hello. My name is Mai. I'm seven years old. Today I would like to tell you about my picture of playground.

- I can see a playground in the picture.

- I can see a bike, slide, a sandpit, a swing, and a seesaw in the playground.

- I can see the kite on the seesaw.

- The slide is next to the swing.

- I can see a car in the sandpit.

-My favourite thing in the playground is slide.

-Thank you for listening. Good bye!
