Hi Claire

I hope you're well. How are things at your new school? Are you <sup>1</sup> \_\_\_\_\_ lots of new friends?

I'm <sup>2</sup> \_\_\_\_\_ home, in my bedroom. My parents are <sup>3</sup> \_\_\_\_\_ dinner with some neighbours and they're all talking really loudly. I can't study!

Are you doing anything next Saturday evening? We're having an end-of-term party at school. It's only for years 10 and 11, but we can invite friends. It's fancy <sup>4</sup> \_\_\_\_\_ and the theme is Hollywood. I'm trying to think of a good <sup>5</sup> \_\_\_\_\_.

The party will be in the drama room. Do you remember where that is? Go <sup>6</sup> \_\_\_\_\_ the library and turn right. Then go <sup>7</sup> \_\_\_\_\_ the doors and it's <sup>8</sup> \_\_\_\_\_ the left. Tickets are free, but we have to bring something to eat and drink.

I hope you can make it. You can stay the night at my house, of course. Come early and we can <sup>9</sup> \_\_\_\_\_ ready together!
