## Say a little prayer for you

heart

The moment I \_\_\_\_\_

\_\_\_\_\_ I put on my makeup (makeup)

I say a little prayer for you

While \_\_\_\_\_ my hair now

I'm wondering what to wear now (wear now)

forever I say a little prayer for you (for you, ooh)

Oh, baby ever

(You'll stay in my \_\_\_\_\_ and I will love you)

(Forever) \_\_\_\_\_ (and ever) ever

(We never will part, oh, how I love you)

(Together) together (together) together

(That's how it must be to live without you)

(Would only mean \_\_\_\_\_ for me)

heartbreak

Ooh, ooh, ooh

combing

Before

wake up

**heartbreak**

**riding**

I run for the \_\_\_\_\_, dear  
While \_\_\_\_\_, I think of us, dear (us, dear), hey  
I say a little prayer for you, oh, oh-oh, oh-oh (oh, shawty)  
At \_\_\_\_\_, I just take time  
And all through my coffee breaktime (breaktime)

**together**

I say a little \_\_\_\_\_ for you  
forever

**bus**

(You'll stay in my heart and I will love you)  
(Forever) forever (and ever) ever  
(We never will part, oh, how I love you)  
(Together) \_\_\_\_\_ (together) together  
(That's how it \_\_\_\_\_ be to live without you)  
(Would only mean heartbreak for me)  
Only mean \_\_\_\_\_ for me  
Ooh-oo

**work**

**prayer**

**must**
