

## My shopping list

I'm Liz. I will have a birthday party next Sunday. I will invite my friends. So, I'm going to the shop and buy some products. First of all, I am going to buy some vegetables for salad. I want to buy some peppers and carrots, 5 tomatoes and of course 3 cucumbers. I know that Eve and All like pizza. So I am going to buy it, too.

I think some fruits are a good idea. I am going to buy some cherries, bananas, pears and some oranges. I don't like oranges. But I know that Andrew does. I also need something for dessert. I am going to buy a big chocolate cake and some juice to drink.
