A – What happened?

B – I fall out with my friend. I don't know what to do.

A - you tell me what had happened?

B – Well, I told her she drive when she had drunk some alcohol. She didn't care and that I mind my own business. She said she do whatever she wants and that I stop bothering her.

A – That sounds terrible. you tell me what had happened next?

B – She crashed her car and now she's blaming me! She thinks that I have stopped her! you believe this?

A – She seems very irresponsible.

B – What I do? I help her or leave it alone?

A – I think you calm yourself. You're shaking. You know you stress out. The doctor said it's not good for you.

B – Well, I calm down. The police called me and want me to witness.

A – What you do? **B** – That is exactly why I need you!
