

# Around the world in 80 days

1. Phileas Fogg travels around the world and visits the following places. Which are countries and which are cities? Which city is in which country? Put them in the correct place in the chart.

Japan    Calcutta    England    U.S.A    Liverpool    New York  
Bombay    San Francisco    Yokohama    India    London

Countries	Cities
France	Paris, Bordeaux

2. Put the places from the previous activity (1) on the map below. Draw a line between the places to show the journey you think Phileas Fogg will follow. Write Phileas Fogg route according to your intuition.

**Example: From Argentina to Rio de Janeiro, Brazil**

3. As you read, match the places with what happens in each place.

London	Fogg pays eight thousand dollars to travel on a ship
India	Phileas Fogg and Passepartout help a rich man's wife
Hong Kong	Fogg and Aouda find Passepartout again
Yokohama	Detective Fix arrests Fogg
New York	Passepartout forgets to buy tickets for the ship the <i>Carnatic</i>
Liverpool	Phileas Fogg makes a bet

4. The picture shows Phileas Fogg arriving back in England. Detective Fix is arresting Fogg. What are Fogg and Fix saying? Write their words in the spaces.

## After reading

5. Imagine you are travelling around the world from London and can stop in 4 places. Choose the 4 places you want to visit and draw your travel plans on the map.

6. Why do you want to visit each place? What do you want to do there? How can you travel from place to place? Write your ideas in the table.

Place	Why you want to go there	How you can travel to the next place
Example: Rome, Italy	To visit historical places and eat Italian food	By train to...
