

Our alphabet

1. Read and complete the text.

The Iberians lived in fortified _____ with _____ streets and _____ houses. Many Iberians worked as _____, _____ and _____. The Celts lived in walled towns called _____ in _____ areas. They were specialists in making iron and _____ objects. They farmed and kept _____.

2. Write Iberians or Phoenicians.

The diagram features a central illustration of a rectangular clay tablet with two columns of ancient script. Surrounding this central image are four purple-outlined circles, each containing a text prompt followed by a blank line for an answer. The prompts are: 'They developed the first version of our alphabet.', 'We can read their alphabet.', 'A script was found in Girona.', and 'We cannot read their scripts.'

They developed the first version of our alphabet.

We can read their alphabet.

A script was found in Girona.

We cannot read their scripts.
