A24. *Расположите реплики так, чтобы получился связный диалог. Выберите один из предложенных вариантов ответа.*

A. Well, he always borrows my tablet, and he never gives it back as soon as he's finished. If you make a promise, you keep it!
B. I can tell you provided that you promise not to tell anyone else.
C. Well, OK, if you want to help, that's fine by me. Can you call me after you speak to him?
D. Mike, I heard you fell out with Gary again. What happened?
E. Of course! I mean, unless someone's committed a terrible crime, I keep secrets.
F. Perhaps he hasn't finished with it. Would you like me to check? I can ask, as long as you give me permission of course. I never get involved if people don't want me to.
