Could I have a                    of milk with that, please?

Thank you, and                    a nice day.

Is anyone                    here?

It's just                    on the table. Here's your change.

And any                    or vanilla?

Can I                    your order, please?

Yes, a piece of the cheese cake and a                    muffin, please.

Would you like any sugar or                    with that?
