Hi!

I'm Omar and I'm 15 years old. Friendship is important _____ [1] me and I have a lot of good friends in the UK who are interested _____ [2] the same things as me. I'm quite good _____ [3] sports and my favourite subject is History. Maths and Science are quite difficult _____ [4] me.

My family and I have recently moved to your town so I'm trying to meet new people, but it's not as easy as I thought it would be! I'm aware _____ [5] how busy everyone is at school, but are there any popular activities I could do to make new friends? Also, I wouldn't like my new friends to get upset _____ [6] or annoyed _____ [7] anything I do or say, so what should I be careful _____ [8]?

Hope you can help me out.
Cheers!

Omar
